

**Boston Retirement System
Request for Proposals – High Yield Fixed Income**

The Boston Retirement System (the “System”) is soliciting proposals from investment management firms to manage a **High Yield** mandate for the System's \$6.7 billion, defined benefit, pension fund. The System currently has approximately \$380 million allocated to High Yield. Current managers are encouraged to submit proposals.

To access the RFP and required forms, please visit the website of NEPC, LLC at www.nepc.com/institutional/investment-managers/.

Proposals must be submitted via email to BRSsearch@nepc.com by **Friday, March 4, 2022** at 2:00pm EDT. Proposals received after the deadline will not be considered.
